MOTION FOR LEAVE TO FILE SUPPLEMENTAL COMMENTS

Legend Broadcasting, Inc. ("Legend"), by its attorney, hereby moves for leave to file Supplement Comments in the above-captioned proceeding. In support of its position, Legend submits the following:

Docket No. 99-140 was initiated by Legend and proposed the reallocation of Channel 255C from Kennett, Missouri to Keiser, Arkansas and the modification of Station KTMO's license accordingly. Legend filed a counterproposal in the proceeding proposing the reallocation of Channel 255C from Kennett to Munford, Tennessee and a modification of the Station license, as well as the allotment of Channel 254A to the community of Friars Point, Mississippi. Flinn initiated Docket No. 99-146, proposing the allotment of Channel 254A to North Tunica, Mississippi. The proposals of Legend and Flinn are mutually exclusive.

On September 17, 1999, the Commission released its Public Notice accepting Legend's Counterproposal in Docket No. 99-140. Report No. 2362. On October 4, 1999, Flinn filed

Comments in Docket No. 99-140, in response to the Commission's Public Notice. Flinn proposes that Channel 255C1 be reallocated to Munford to allow the allotment of Channel 254A at North Tunica. It is necessary that Legend file Supplemental Comments in order to make it clear to the Commission that it has expressed an interest in the allotment of Channel 255C to Munford and that Flinn is attempting to substitute a channel in which no interest has been expressed.

Accordingly, for the reasons stated above, Legend respectfully requests leave to file Supplemental Comments in this rule making proceeding.

Respectfully submitted,
LEGEND BROADCASTING, INC.
